

Yangshuo E-Scooter Route Map

3 tested loops from easy to epic | No license needed

Yangshuo rental e-scooters are regulated as electric bicycles, so a Chinese driver's license is not required. Prices are typically ¥30–60/day (approx. US\$4–8). Always check the battery before you leave and return the scooter by the agreed time (usually 7–8 PM).

Route 1 — Easy: West Street Loop

10 km · 2-3 h

- West Street (Xījiē)
- Ten-Mile Gallery (Shílǐ Huàláng)
- Yulong River bridge (Yùlóng Hé qiáo)
- Return to Yangshuo town

Flat roads, rice paddies, karst peaks. Best for first-time riders and families.

Route 2 — Moderate: Yulong River Loop

25 km · 4-5 h

- West Street
- Jima Pier (Jìma mǎtóu)
- Jiuxian Village (Jiùxiàn cūn) — lunch + charging stop
- Gongnong Bridge (Gōngnóng qiáo)
- Moon Hill (Yuèliàng Shān)
- Return to Yangshuo town

Villages, bamboo rafts, Moon Hill. Plan a charging stop in Jiuxian.

Route 3 — Epic: Xingping Loop

45 km · 6-7 h

- West Street
- Xingping (Xīngpíng)
- 20-Yuan Viewpoint
- Li River (Lí Jiāng)
- Return to Yangshuo town

Long distance with mountain roads. Start with 100% battery and use Eco mode.

Essential safety reminders

- Wear the helmet provided.
- Use Amap (Gaode) for navigation; Google Maps is unreliable in China.
- Download offline maps before heading to rural areas.
- Avoid night riding on village roads without street lights.

Guilin Road Trip

- When battery drops below 30%, head back or find a charging point.
- Watch for cattle, water buffalo, and farm vehicles on the road.
